"OPPORTUNITIES in TRAFFIC management"

This 48-page FREE Book should be read by every man seeking advancement in TRAFFIC WORK

This book points the way to the higher positions in the field of Traffic Management. It tells how men once on small salaries have demonstrated their ability to make savings for the companies they work for and thus rise to more responsible positions. The field of Traffic Management offers real opportunity only to the man who knows. Spare time study and the will to succeed have pushed scores of traffic employees up the ladder of financial success. Many LaSalle-trained traffic managers—both in the railroad and industrial field—now command salaries of $4,000, $6,000 a year and better. Investigate! Send for this free book today. Find out how you can qualify for these higher positions through LaSalle home-study training and guidance. Write now for your free copy of "Opportunities in Traffic Management." Address—
